

## Kathy Reis

Business Development Director

Kathy joined the firm in 1973 as a receptionist/secretary to the 8-person Wigen Tincknell & Associates. Since that time, she has worked in varied capacities acquiring an understanding of the many facets of an architectural firm including design and construction documents, the bidding process, financial management, marketing and business promotion. She has worked with Caro Community Schools, Saginaw Township Community Schools and Swan Valley School District in passing of their school bond referendums.

As the Director of Business Development, she has formed long lasting friendships with WTA clients, business associates and community leaders. She represents WTA's commitment to the growth and quality of life in Downtown Saginaw and its surrounding communities.
