

## Kurt R. Fogelsonger, AIA, LEED AP

Partner

Mr. Fogelsonger has extensive experience in the design and construction of facilities throughout the state. His expertise encompasses basic facilities as well as complex projects that include new construction, additions and renovations to existing buildings. Kurt has developed an in-depth knowledge of the integration of technology, equipment and systems. He has an extraordinary ability to take charge of complex issues and to coordinate the efforts of a design team. He has to his credit the following:

### Delta College

- Health and Wellness - F Wing Renovations - LEED
- Science & Learning Technology Center
- Saginaw Center

### Saginaw Valley State University

- College of Science, Engineering & Technology (Pioneer Hall) Addition and Renovations

### SVRC Marketplace
